

# OneWorld Manufacturing

**Complete Engineering solution for Vertical  
Mobility and Material Handling.**

# Core Values

## Sustainability

Our designs and business processes are fundamentally rooted to promote Circular Economy by transforming waste into value.

## Integrity

We are committed to be open, fair, honest, empathetic and consistent in our dealings with all stakeholders.

## Customer Centricity

We place our customers at the forefront of everything we do, ensuring their enrichment and satisfaction.

## Out of Box Thinking

We nurture creativity and encourage out-of-the-box thinking to redefine industry standards and bring a positive change in the work environment.

## Velocity

We act with speed and focused attention towards our objectives.

## Digital Connect

We build and manage a digital ecosystem that seamlessly connects designs, products, suppliers, processes and customers.

## KPI

**100K** Sq. ft

of Manufacturing Space

**15M** kgs

of High Density Counterweights Manufacturing Capacity

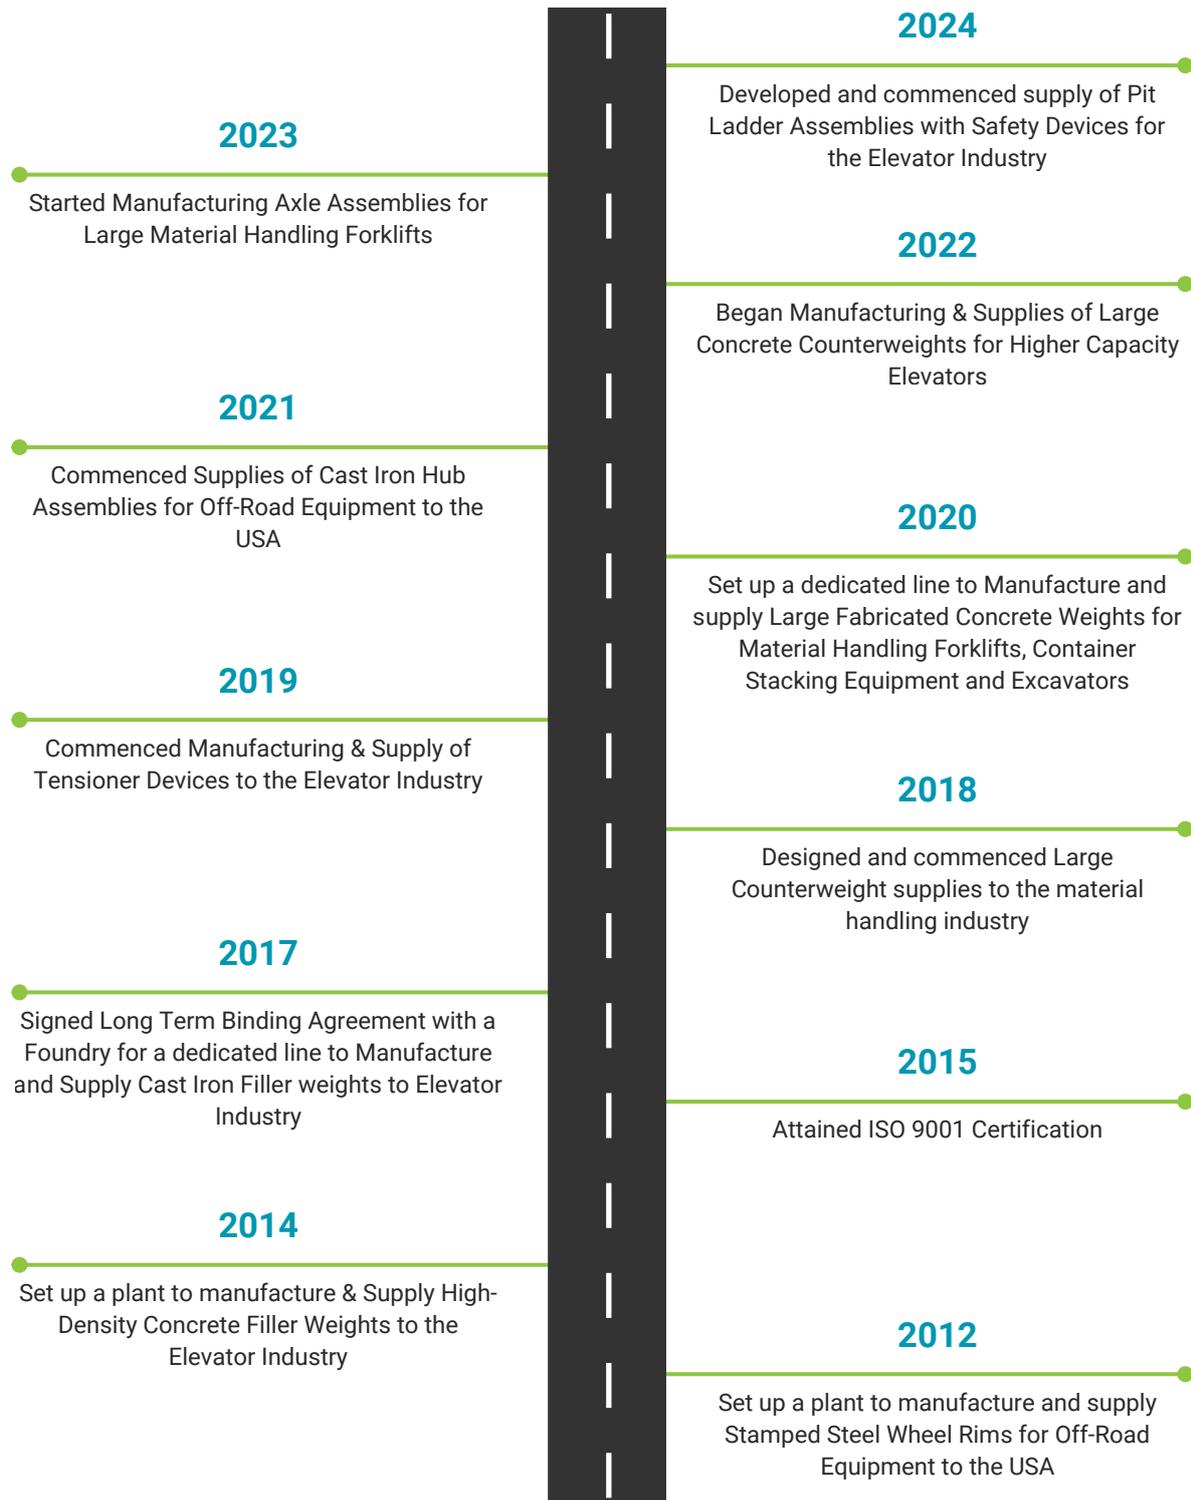

**500K** sets

of Stamped Steel Wheel Manufacturing Capacity

**250K** sets

of Cast Hubs Assemblies Manufacturing Capacity

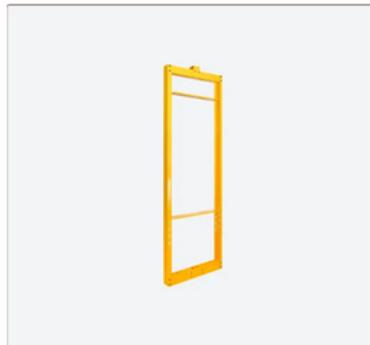

# Milestone

# Vertical Mobility Products

**Cast Iron Filler Weights**

**Counterweight Frame Assembly**

**High-Density Concrete Weights**

**Large Concrete Counterweights for High Capacity Elevators**

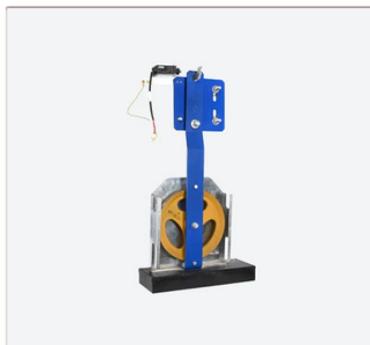

**Pit Ladder Assemblies with Safety Devices**

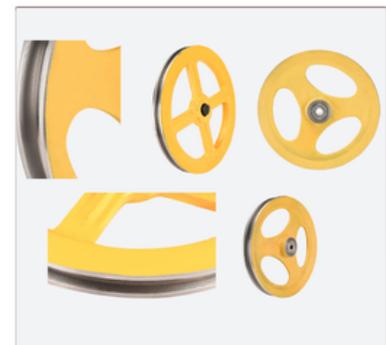

**Stamping & Forging Parts**

**Tension Device for Heavy Duty Elevator**

**Tension Devices**

**Tension Pulley**

# Material Handling Products

**Axle Assemblies for Forklifts**

**Cast Hub Assemblies & Attachments**

**Custom Fabrication and Machining Part**

**Fabricated Concrete Counterweights**

**Stamped Steel Wheel Rims**

## Industries We Serve

- Elevator & Escalators
- Port Handling Equipment

- Coil Lifters
- Off Road Equipment

- Farm Equipments
- Material Handling

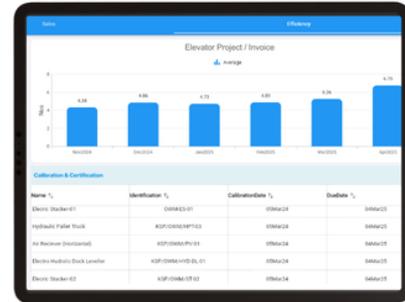

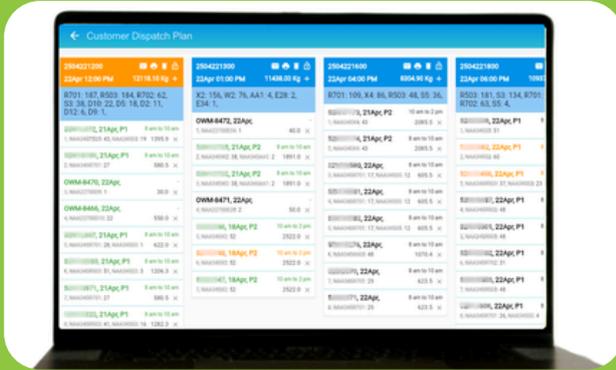

# Infrastructure

# OneWorld App

www.owmfg.com

## Key Features

Warehouse Stock Management

Sales Order Management

Dispatch Planning

Automated E Invoicing

Quality Management System

Purchase Order Management

Work in Progress Tracker

Production Planning
